

We know a card doesn't  
really express the gratitude  
we have for everyone that  
made WHM another  
big success, but it's a  
start.

*Dear Chris,*

**The University of North Florida  
Women's Center  
thanks you for your generous  
contribution of time and  
energy to make this year's  
Women's History Month  
so successful.**

Thanks to your efforts, the UNF Women's Center is better able to serve the University and Jacksonville communities. We promote growth, understanding and equity for women, and acknowledge the many contributions made by women to our society and the world.

*From all of us -  
Thanks!*
